International Advisory Committee

Dr. Peter Demian, Loughborough University,
London, UK

Dr. Narendran Kumar, Queens University of
BELFAST, UK

Dr. Senthilkumar K, Hunan University,
China

Er. Sravani Mallavarapu, AECOM, South
Carolina.

Er. Christo Dunston, CG&R, Guildford, UK.

National Advisory Committee

Dr. Leon Raj J, Scientist CSIR NEIST

Dr. K.V. Ananad, NIT Calicut

Dr. V. Agilan, NIT Calicut

Dr. R. Arunkumar, NIT Calicut

Dr. R. Senthil kumar, NIT Trichy

Dr. Vishnu R, NIT Warangal

Dr. Tamizharasi G, SVNIT Surat

Dr. Prashanth J, NIT Silchar

Dr.T Palanisamy, NIT Surathkal

Dr. S.K Sekar, VIT University

International Conference on Advancements and Recent Trends in Civil Engineering

(ICART-2021)

May 27-28, 2021

ABOUT THE INSTITUTION:

Mangalam College of Engineering (MLMCE) stands supreme in technical education with excellence and quality in education. In keeping with MLM's goal of excellence, the academic programs are supported by well experienced and dedicated faculty, committed to equip the student with knowledge and skills need for succeeding in today's rapidly changing world. Approved by the All India Council for Technical Education (AICTE) and affiliated to the APJ Abdul Kalam University, Thiruvananthapuram and accredited by National Assessment and Accreditation Council (NAAC) and MLM is promoted by the Mangalam Educational Society, with a mission to bring out leaders for a technology-driven environment.

ABOUT THE DEPARTMENT:

The Department of Civil Engineering has been in existence since the inception of MLMCE in 2002. It has emerged into a full-fledged department with the commencement of the Civil Engineering branch in 2010. With the increase in demand for civil engineers, the student intake was raised to 120 seats in 2013. In 2014, a M.Tech programme on Structural Engineering and Construction Management has been established and running successfully.

ABOUT THE CONFERENCE:

Civil Engineers construct the entire world's framework. In doing so, they discreetly shape the historical backdrop of countries around the globe. The vast majority cannot envision existence without civil engineers' endless commitment towards public health, safety and way of life. By investigating civil engineering impact in moulding the world today, we can inventively imagine the advancement of tomorrow. High-rise buildings, bridges, subway stations, stunning airports, highways, and hydroelectric dams are the part of the intriguing signs of human development and urbanization which Civil Engineers built.

CONFERENCE THEME: The objective of the conference is to address the advancements and enhance the recent trends in civil engineering and to make interaction with natural and anthropogenic agents, by viewing its highlights and challenges.

- Structural Engineering
- Construction Engineering/Management,
- Water resources and Irrigation Engineering,
- Transportation Engineering and Planning,
- Traffic Engineering and Management
- Soil Mechanics and Foundation Engineering,
- Hydraulic Engineering,

- Coastal/Ocean Engineering.
- Sustainable/Ecological Engineering
- Environmental Engineering

Important Dates

Deadline for final paper submission:
15.04.2021

Notification of acceptance: 22.04.2021

Submission of Camera ready papers:
14.05.2021

Deadline for author registration: 21.05.2021

Registration fee Details:

Delegates from	Registration Fee
Foreign /Abroad	100US\$
Industry/R&D/Others	INR 3000
Faculty/Academicians	INR 2000
UG/PG/Research scholars	INR 1500

GUIDELINES FOR PAPER SUBMISSION:

Prospective authors are invited to submit full length papers including results, figures and references in PDF format (refer Springer format) in 4/6 pages. The title page should include author name(s), affiliation and mailing address. All submitted papers will undergo meticulous review process managed by technical committee. Papers will be accepted only by electronic submission through icart.paper.submission@mangalam.in
